“WE KNOW THAT LOCATION CAN MAKE OR BREAK A BUSINESS – SO WE’RE PLEASED TO BE GLOBALLY ACCESSIBLE IN ONE OF THE BEST-CONNECTED AREAS IN THE COUNTRY.”
– DISCOVERY PARK

OVERVIEW

Peakdale Molecular continues to enjoy growth in its operations and headcount, and is proud to be part of the success story, at Discovery Park Sandwich. Peakdale Molecular has been operating from Discovery Park since 2010.

Discovery Park has established itself as one of Europe’s leading science and technology parks and boasts world class facilities. The Park is a friendly, science based community of over 160 companies sharing, connecting and collaborating. It is globally accessible, in one of the best connected areas of the UK, strategically placed between London (1h 30min by train) and Western Europe.

The delightful coastal towns of Dover, Deal, Ramsgate, Broadstairs and Margate are nearby, whilst beautiful historic Sandwich is within walking distance of the Science Park and is just two miles from the coast. Sandwich is famed for its golf courses (Royal St Georges Golf Club has hosted 13 Open Championships).

The bustling University City of Canterbury is only 20mins by car/ bus. Canterbury offers a huge variety of attractions; fantastic shopping, stunning places to eat and a vibrant nightlife.

TRANSPORT LINKS

Train
A train from Charing Cross station in Central London travels to Sandwich every hour. The journey takes around 2 hours. There is another direct service from St Pancras which takes 1 hour 45 minutes.

Road
Around 75 miles from Central London, use the M20 or M2 and then A299. The direction signs are for Ramsgate and then Sandwich. Discovery Park is just a 30 minute drive away from the port town of Dover (with services to Calais and Ostende).

Bus
Frequent buses stop outside of our building, with regular services to all the surrounding towns and villages, including Ramsgate, Margate, Deal, and Canterbury.

SCHOOLS & EDUCATION

Kent offers some of the best education in the country from ‘Outstanding’ Ofsted primary to top Grammar schools.
